- LARAVEL
- CSS
- JS

ABOUT ME

I am Muhammad Dayyan, a passionate Web Developer and Instructor based in Karachi, Pakistan. With hands-on experience in WordPress development and strong fundamentals in HTML, CSS, JavaScript, and PHP, I focus on building responsive and performance-optimized websites. Currently, I am expanding my expertise in Laravel and Artificial Intelligence (ACCP AI – Aptech). Alongside development, I teach web technologies to students, simplifying complex concepts and guiding them through practical projects. I

WORK EXPERIENCE

Web Development Instructor 2025 – PRESENT

Education Inn

As a passionate Web Developer and Instructor, I focus on simplifying complex concepts for students while strengthening my own expertise in both frontend and backend development. I teach and guide learners through practical projects, coding fundamentals, and modern development practices.

Wordpress Developer 2023 - 2024

Sana Distributors Pvt Ltd.

Worked as a WordPress Developer at Sana Distributors Pvt. Ltd., where I customized themes, developed responsive layouts, and optimized site performance. Gained hands-on experience with HTML, CSS, JS, and WordPress, contributing to a better online user experience and site engagement.
